# Office and Financial Policies

# **Appointments**

We believe that our patient's time is valuable and every effort is made to keep your waiting time to a minimum. If you are unable to keep your appointment, please notify the office as soon as possible. This courtesy allows us to give appointments to another patient. If you do not cancel your appointment 24 hours prior to the scheduled appointment time a No Show fee will be charged to your account. If you have 3 or more No Shows within a 12 month period you could be discharged from the practice.

# **Financial Policy**

- Your Insurance Card(s) and Driver's License (Picture ID) will need to be presented each time you visit our practice to assure we have
  the most recent information. If insurance card is not provided, appointment will be handled as self-pay and payment for services
  will be collected prior to being seen.
- Co-payments must be paid <u>prior</u> to seeing the health care provider on the date service is rendered. Self-pay and uninsured patients will be required to pay a deposit prior to being seen. Patients are responsible for their deductibles or charges not reimbursed by insurance. As a courtesy to you we file your insurance claims, therefore it is your responsibility to provide our office with up to date billing information.
- Please understand that your insurance is a contract between you and your insurance company and you are ultimately responsible for the bill. If you have not received an explanation of benefits within 30 days of seeing your health care provider you are expected to contact your insurance company for an explanation as to why payment has been delayed.
- Self-pay patients are required to pay for services prior to being seen for their visit and will be balance billed for the remainder of the fees at the time of charge posting.
- It is understood that returned checks made payable to this office for insufficient funds, stop payments or other reason for non-payment will be assessed a \$30.00 NSF fee for which the patient will be held responsible.
- Patients with no financial ability to pay St. Joseph's/Candler charges will be screened for eligibility under Medicaid and other state programs and/or evaluated against established guidelines for financial assistance. Please notify the Front Desk staff if you would like more information about how to apply for financial assistance.

#### **Patient Portal**

The patient portal allows patients to manage their personal health information at their own convenience. You will be able to securely and confidentially exchange non-emergent messages with our practice, request prescription refills, request and keep track of appointments, view referrals to specialists, view lab and imaging results and update your contact information.

# **Prescription Refills**

You must contact your pharmacy directly for more expedient prescription refills. Please allow your pharmacy up to 48 hours to process your refill request. Please note that prescriptions will not be refilled after hours, on weekends or holidays. Some prescriptions cannot be refilled if you have not seen your health care provider within the last 3-6 months. If you have mail service prescriptions, please allow 7-10 business days for the necessary forms to be completed. It is very important you plan ahead with mail service prescriptions to allow adequate time for paperwork to be processed.

### **Test Results**

Laboratory tests can be performed in our in-house lab, but some special tests may be sent out. You must have an appointment for lab tests and a lab order from your provider. Your health care provider will review your lab/imaging results and notify you via voice message letter or electronically sent to your patient portal. If you have not heard from us within 7 days, please call our office.

# **Referrals and Prior Authorizations**

Most insurance plans require a patient to be seen by their primary care provider prior to seeing a specialist. If your insurance plan requires a prior authorization you must verify your insurance has approved the visit before seeing the specialist. Otherwise, you will be responsible for any incurred charges.

#### **Medical Records**

Please note that requests for any health information cannot be processed without a signed medical record release from the patient or legal representative. This service is outsourced and processed weekly. Please allow up to 7 business days for your request to be processed. A fee may be charged for this service.
